- Platforms & Services: Amazon Web Services (AWS)

Professional Experience

AboveBytes LLC

Full Stack Developer | Jan. 2022 – Present

- Designed and developed responsive web applications using React.js, Redux, and Node.js, improving user performance by 20%.
- Led the creation and integration of RESTful APIs to ensure seamless data flow and system interoperability.
- Collaborated with Agile teams to enhance development workflows, achieving a 20% increase in project efficiency.
- Implemented automated testing strategies using Jest and performance monitoring to maintain high code quality.
- Built robust user interfaces, enhancing maintainability and performance with reusable components.
- Optimized the merchant portal for internal and external stakeholders by aligning technical solutions with business requirements.

Cyuda Ltd

Front End Developer | Jan. 2018 – May 2019

- Developed dynamic web interfaces using modern frontend technologies, improving responsiveness and user engagement.
- Created reusable, modular components that enhanced code maintainability and increased team productivity.
- Integrated external APIs into webpages, improving data flow and third-party service interactions.
- Modernized legacy codebases, enhancing functionality and aligning them with current standards.
- Collaborated with engineering and design teams to deliver feature-rich web solutions.

Education

M.S. in Software Development

Maharishi International University, Fairfield, Iowa

Certifications

- Java Full Stack Developer | Perscholas | May 2024
- Front End Development Libraries | FreeCodeCamp | 2023
- Back End Development and APIs | FreeCodeCamp | 2023
- Responsive Web Design | FreeCodeCamp | 2020

Key Projects

- Merchant Portal Optimization: Spearheaded the development of a merchant portal for AboveBytes LLC, implementing React, Redux, and Node.js to streamline user management, boosting merchant efficiency by 30%.
- API Integration Project: Collaborated on integrating third-party APIs, enhancing system interoperability and data accuracy.
